Industriestraße 9  
D-69234 Dielheim  
Germany

## Power of representation

Dielheim, 1st June 2022

This official document is to provide assurance that Dalian Leader Fluid Control Technology Co., Ltd is the representative for AMS Analysis, Measurement and System Technology GmbH. The AMS Analysen-, Mess- und Systemtechnik GmbH / Germany as manufacturer of continuous emission measuring technology authorizes the company Dalian Leader to act as our partner for service, maintenance and sales.

The cooperation includes our following main products fields:

- Probes and transmitter for flue gas measurement of O<sub>2</sub> + O<sub>2</sub> / Coe
- Trace Oxygen Analyser for technical gases
- Oxygen Analyser for Vol% applications
- Multi-component analyser
- Trace oxygen analyser for toxic gases
- Thermal conductivity gas analyser
- Zero air generators for GC's and FID's

We provide After-Sales-Service for example:

- Gas sample conditioning and extended analyser equipment by customer needs
- Worldwide spare parts supply
- Start-up assistance and training
- Maintenance

The letter is valid from 1<sup>st</sup> June 2022 to 31<sup>st</sup> December 2023.

Sincerely Yours,
